Dear Village Life Reader

Fantastic news!

We met with the pub owners in early April to discuss the results of the RICS Purchaser Survey and are very pleased to announce that we have come to an amicable agreement to purchase The Black Horse (freehold, fixtures and fittings) for £380k.

This is conditional on our potential tenant also completing an agreement with the owners to pay something for goodwill.

We are now very busy completing the Share Issue documentation and our Business Plan. Owing to the timing of funding to support the cost of obtaining the Community Share Issue Standard Mark, we anticipate that our Share Issue launch date will be around the end of June.

We hope to provide further information and community-meeting dates in next month's edition of Village Life.
