June 2022

Dear Village Life Reader

SHARE THE LOVE! BUY YOUR PUB

Come to our Share launch meeting on Saturday 2 July at 7pm in Grimston Village Hall

You will have been following the journey to save our pub through Village Life. Now we need to raise funds to purchase the pub so that it can be owned by the community in perpetuity.

We will purchase the pub via Community Shares, donations, and by applying for a “match-funded” grant from the government’s Community Ownership Fund. The Share Issue will be launched on Saturday 2 July at a community meeting in Grimston Village Hall, starting at 7pm.

A Share Issue brochure will be delivered to every household in Grimston, Saxelbye, Shoby and Wartnaby over the weekend of 25 and 26 June.

There will be copies of the Share Issue brochure, the Business Plan, Share Application forms and Donation forms available at the meeting and on our website from the end of June.

If for any reason you cannot make the meeting on 2 July, or just have further questions after that, we will be holding three morning drop-in sessions in Grimston Village Hall on:

- Saturday 9 July
- Sunday 31 July
- Saturday 20 August

If you would like someone from the Committee to visit you at home and explain anything or answer any questions, then please contact us by email (blackhorsecommunitygroup@gmx.com) or write to the Secretary.

We look forward to seeing you on Saturday 2 July

Kind regards

Mike Petty

Chair
