September 2022

Dear Village Life Reader

SHARE THE LOVE! WE ARE WELL ON THE WAY TO BUYING YOUR PUB

Fantastic! Thank you all for the enthusiastic response to the community Share Issue to raise funds to purchase The Black Horse. We have reached our minimum £230,000 target.

However, some of the community have been on holiday and have indicated they have not had time to send in a share application, so we are extending the Share Issue to Saturday 10 September (as allowed in our Share Issue documentation). Note that there can be no further extension.

If we raise more than £230,000 then, as noted in our Share Issue literature and at the community meetings, the funds will be put towards further improvements not funded by the government Community Ownership Fund. This could include the provision of a disabled toilet and improved disabled access.

If you don't want to buy shares but still want to help, then you can make a donation. It will be money well spent and allows you to take pride in helping save and improve this great local asset for future generations.

As we were confident that the community would support this project, on 18 August 2022 we submitted a Community Ownership Fund application for a grant. We will hear if we are successful by the middle of October.

Kind regards
Becky, Ben, Carol, Jane, Martin, Mike, Simon, Tony

The Black Horse Community Group committee
